

ABOUT US

Europe's largest dental laboratory with 34 years of experience.

Fitclean is one of the leading brands in the sector with its large production capacity and state-of-the-art equipment. Fitclean provides services to many countries of the world with high quality standards.

Thanks to its management team that closely follows the constantly developing technology and industry trends, Fitclean maintains its leading position not only with its production capacity but also with its service quality. By prioritising efficiency and quality, it continuously improves its production processes with high standard raw materials, advanced technology machines and expert human resources.

Fitclean, which prioritises customer satisfaction, operates in line with the principles of FAST DELIVERY, COMPETITIVE PRICE, SUPERIOR QUALITY. With its ISO 9001: 2015 Quality Management System and ISO 13485: 2003 Quality Management System for Medical Devices certificates, it complies with international standards in all production and business processes.

Fitclean continues to make a difference in the sector with its quality understanding and innovative solutions.

Our company, which targets customer satisfaction, will continue to develop and renew itself in this direction.

fitclean

PRODUCTION / DELIVERY

FITCLEAN prefers air cargo in all logistics processes. FITCLEAN cooperates with global brands DHL, UPS, Lufthansa and Turkish Airlines in all logistics processes. FITCLEAN shows maximum sensitivity to deliver its products in the shortest time possible.
